Frequently Asked Questions

Rohtang Pass Permit MIS

Tourism Development Council

Manali (H.P.)

1.   What are the modes available to get the Permit to Rohtang Pass?
Answer: Rohtang Pass Permit MIS web application is the only mode for getting the permits to Rohtang pass.

2.   From where I can check the Permit Availability for a day?
Answer: The option check availability of the Home Screen gives the idea of permit issued for a specific date. There user also gets the information of Issued permit, Left Permits   as   well   as   Permit   requests   under   Process.

3.   What is the timings for requesting for the permit?
Answer: The permit can be only issued between 12 Noon till mid night as decided by the administration.

4.   What if the permits are still left and there are few requests under process?
Answer: If such scenario exists then keep on looking on the status as there may be chances where requests are not matured and still the permits can be left.

5.   Can I reprint the permit?
Answer: Yes, there is a option available on the interface where a user can reprint his/her   permit   by   providing   the   permit   date   and   vehicle   number.

6.   Is there any option available for cancelling the issued permit?
Answer: No, as per the administrative decision there is no facility to cancel the permit once issued.

7.   How many permits can I print from my PC/ Mobile?
Answer: Maximum of 2 permits per device/ ip-address is allowed in order to cater the public at large.

8.   Whom to contact in case of some query related to Permit Issuance?
Answer: You can send an email to dc-kul-hp@nic.in for any query related to Rohtang Permit Issuance.
