## STRATEGY PROPOSAL

### 1. PRESENT SHORT COMINGS

#### 1. No Regional/Zonal Office is in the Department

#### 2. No adequate and no trained computer staff.

#### 3. Inadequate staff

Due to shortage of staff the following new assignments could not be undertaken:-

- i) Estimation of Capital Formation in Household and Corporate sector.
- ii) Construction of Index of Industrial Production and Building Cost Index Nos.
- iii) Construction of Input Output tables.
- iv) Basic statistics for Block level.

#### 4. Inadequate posts of Statistical Assistants at Block Level.

The Block Level Statistical Assistants were provided only 23 blocks in the year 1989 with the assurance that the posts in remaining blocks will be field in phased manner which could not be materialized so far. Without the proper infrastructure facilities at the Block level these Statistical Assistant were shifted to District Statistical Offices.

#### 5. No provision of law officer

With the increasing of pressure of employee and their service matters etc. no legal facility is available in the department for interpretation and other court cases etc.

#### 6. Filling up of vacant posts

Due to non-filling of posts of direct quota in the department the work is suffering badly.

The field work of N.S.S. which is to be done by the Field Investigators on regular basis is not being done as per time schedule for want of Field Investigators.

**PROPOSED STRATEGY**

1. **Opening of Zonal/Regional Office at Dharamshala /Shimla & Mandi for efficient supervision/ monitoring of work in field offices. These Offices are urgently required by the Department:**

2. **Sound Computer System :**

The department being data oriented organization requires sound computer system in the shape of complete Computerization in Hdqrs/District Offices and also by providing four Posts of Data operators and one post of programmer for quick release of N.S.S. and estimation of State Income under SNA 1993.

3. **Staff provision for new assignment.**

The new assignment being very technical in nature, the following additional staff is proposed.

Deputy Director	-	1
Research Officer	-	2
Assistant Research Officer-		4
Data entry Operator	-	4
Peon	-	1

4. **Posting of Block level Statistical Assistants**

The remaining posts of Statistical Assistants at Block Level be created on priority so as to create data bank at grass root level also.

5. **No provision of Law Officer/Legal Assistant.**

A post of Law Officer/Legal Assistant be provided for dealing with court cases, etc.

6. **Filling up of vacant posts.**

All the vacant posts as detailed below is required to be filled up on priority bases through direct recruitment. (The vacancy position is as on 31-3-2010)

i)	<b>D.S.O./R.O.</b>	-	<b>1</b>
ii)	<b>A.R.O.</b>	-	<b>6</b>
iii)	<b>S.A.</b>	-	<b>9</b>
(iv)	<b>Investigator</b>	-	<b>9</b>
v)	<b>Clerk/Jr.Assistant</b>	-	<b>4</b>
vi)	<b>Peon</b>	-	<b>3</b>

At present eight posts of Investigators are lying vacant and two more will be vacated within in a month owing to the promotions in the Department. The post of Investigator is of the lowest rank in the department which is to be filled through direct recruitment. Besides

collection of data then Investigator are engaged in the field work of N.S.S. which is a time bound assignment. The post of Investigator thus being very important functional post may be allowed to be filled up on priority basis through direct recruitment. Till then posts be filled up on contract basis and these Investigators already engaged be continued for N.S.S. work.

**7. Provision of additional class-IV employees.**

One part time peon may be given to each District Statistical Office.

**16. NAMES, DESIGNATIONS OR OTHER PARTICULARS OF THE ASSISTANT PUBLIC INFORMATION OFFICER/PUBLIC INFORMATION OFFICERAS AND APPELLATE AUTHORITY:**

<b>Name &amp; Present Post</b>	<b>Designation</b>	<b>Complete office Address</b>	<b>Office telephone No.</b>	<b>Jurisdiction/ units under his control for which he will be rendering information to applicant</b>
