

(vii) The Particulars of any arrangements that exists for consultation with or representation by Members of the Public in Relation to the Formulations of its Policy or Implementation thereof.

For consultation and coordination with the public for proper formulation and implementation of various programmes the department has formed PARIKAS at the Health sub center level. The suggestions and feedback from the Block Development Committees and Zila Parishads are also given due weight-age by the Department while formulating annual action plans. The AKS/RKS also have public representatives in the executive bodies. The State Health Mission and Distt. Health Missions also have a fair representation of the public representatives.
